

BETWEEN BUSH & INDIAN OCEAN

BUDGET SAFARI ACCOMMODATION

LODGING IN THE TRANSFRONTIER PARK (SOUTH AFRICA-MOZAMBIQUE)

Rest camps (Kruger Park): Rest camps and camp sites are very similar : the same facilities are available and both have access to electricity. Some of them even have swimming pools. In addition wildlife drives and bush walks can be arranged. Accommodation in the rest camps varies but usually comprises huts; bungalows, cottages and some camps offer safari tents. All are supplied with bedding and towels and most have air-con or fan.

Private wildlife reserves: they offer among Africa's best opportunities for safari connoisseurs and are the place to go for those who want to experience the bush with a luxury touch. Secret Safari to Africa managed to unearth a few affordable ones with a very good level of service and facilities. The lodge is the base for the day's activities, which may include game drives and walking safaris. Clients are normally hosted during meals, service is personal, and professional guides and knowledgeable staff are on hand to supervise activities and answer questions.

MOZAMBICAN COAST

Vilanculos, Morrungulo, Inhambane, Xai Xai: The selection of the bungalows (casitas) or guesthouses along the coast is based on their particular tropical atmosphere and the good level of services.
