Here you will be given final instructions by highly experienced staff, a countdown and off you go! Bloukrans utilizes pendulum bungy technology ensuring you the smoothest, most comfortable bungy jump possible.  
Price: 650 rands.60 €

#### ABSEILING. Eden.co.za

Abseiling is all about using a rope and other specialised equipment to descend a cliff. The serene Kaaimans Gorge holds one of the most beautiful abseil sights you will find. You have a chance to do two 45m abseils right next to a magnificent waterfall. The first abseil is an easy one to get you used to the idea of trusting the ropes and the second one is slightly more technical, however just as exhilarating.

What also makes this sight special is that you land in a canoe at the bottom. You need not have abseiled before, however it is not for the faint-hearted! It is also important to remember not to wear slippery shoes.

A new development, especially for group bookings, is a stunning abseil site at Robberg in Plettenberg Bay. The magnificent view overlooking the sea allows one to do whale watching as you descend the rope Combination Tours

For those who feel like a little more exercise, try a full day combination of the Cappuccino Canyon Kloofing and the Abseiling Tours. Lunch is included (For a similar but more adventurous option, see Eden Alley Kloofing).

Recent additions to our Combination Tours category include the Adventure Duet and the Thrilling Threesome.

The Adventure Duet is an afternoon of abseiling and canoeing, while the Thrilling Threesome is a combination of kloofing, abseiling (next to the Kazimans waterfall) and canoeing.

Prices to be requested.

#### SEE KAYAKING AND DOLPHIN ADVENTURE

#### WHALE WATCHING (June to November) WITH OCEAN BLUE

Our Ecological adventure leaves from Plettenberg Central Beach with an exciting beach launch and heads east past the bird sanctuary and Keurbooms beach to Arch Rock. Here we usually encounter Bottlenose and the rare Indo-Pacific Humpback Dolphins as well as some shark species. From Arch Rock we head into the middle of the Bay where pelagic seabirds are normally to be found some 7km from the shore. Out there our resident Bryde's whales may be seen, as well as Common Dolphins or Southern Right and Humpback whales during their season. We then traverse the Bay to the point of Robberg Peninsula and the Wild side, often seeing groups of whales and pods of dolphins. Cruising back along the inside of Robberg, we see the unique geology from this unusual viewpoint and can observe our growing Cape Fur Seal Colony. Finally we head back along the Robberg beach, while a brief rundown on the history of the area is given. After passing the Beacon Island Hotel, built on the site of an original Whaling Station, we end the experienced with an exhilarating landing, again on Central Beach.

THE ECOLOGICAL ADVENTURE : Ocean Blue is a licensed SABBWWA permit holder, which enables us to approach whales from 50 metres instead of 300 metres. Should the whales approach our vessel we do not have to move away. The guests therefore get an up close experience with these majestic mammals in the bay.  
Price: 650 Rands. 60 €

#### BALLOONING

Experience - the unique sensation of Hot Air Ballooning in the Klein Karoo. Drifting on a gentle breeze, you will enjoy a sense of peace and tranquility; Enjoying the panoramic view of Outdtsnsoorn and the majestic Swartberg Mountain range, which will stay with you forever...

#### OSTRICH FARM

You will have a truly hands-on experience of these fantastic birds when you visit any of the local farms. Most of the farms will offer guided tours, and are also very visitor-, disabled and child friendly. Visitors will be given interesting information about the ostrich industry in South Africa. They will also be able to come into direct contact with the ostriches, with a lot of the farms giving them the opportunity to touch the ostriches. At some of the farms, you will even be able to sit on the ostriches, or ride them!  
Prices:60 Rands 6 €.

#### CANGO CAVES

The Cango Caves are situated in the heart of the Little Karoo 26 km north of Outdtsnsoorn Close to the Garden Route. About 10 000 years ago, the Khoisan used the entrance area of the cave as shelter. Way back in 1780, a farmer named Mr. Van Zyl, ventured past the cave entrance, lowering himself underground into the unknown, by the dim light of his burning torch he saw glistening shapes that hinted at a subterranean wonderland. This important geological feature is a series of caverns and chambers naturally hewn out of limestone.

The Cango caves should be known as the 8th wonder of the world  
Prices:75 Rands. 7 €.
